

### LAWN CARE SERVICES REQUEST FOR PROPOSAL

#### PART 1: INTRODUCTION AND INSTRUCTIONS

### PURPOSE OF REQUEST FOR PROPOSAL (RFP)

Utah Community Action (UCA) is seeking competitive proposals for a Lawn Care program at 10 locations throughout Salt Lake and Tooele Counties. The purpose of this document is to provide detailed required specifications and to establish the basis for an agreement between UCA and the provider.

### **AGENCY BACKGROUND**

Utah Community Action's mission is to empower individuals, strengthen families and build communities through self-sufficiency and education programs. Utah Community Action is a multi-faceted agency that helps low-income individuals and families overcome barriers to self-sufficiency. The agency has approximately 600 employees and annual revenues of approximately \$50M.

Utah Community Action helps remove these barriers through six core programs:

**Workforce Development** – Helps adults with low- to moderate-income levels get access to courses and certifications that can help them work toward self-sufficiency.

**Head Start** – Provides education and health services to young children who would otherwise not be prepared for kindergarten.

**HEAT** – Helps struggling households pay their utility bills. Both yearly application and emergency need services are available.

**Case Management & Housing –** Through deposit and emergency rental assistance, landlord-tenant mediation, homelessness services, and holistic case management, our Case Management, and Housing Program help clients to obtain and maintain safe, stable, and affordable housing.

**Nutrition** – Helps feed households in need, provides meals for Head Start classrooms, and offers educational programs to teach better eating habits.

**Weatherization** – Helps low-income households reduce energy costs and increase comfort and safety in their homes.

Utah Community Action complies with the required federal regulations on procurement, as outlined in the Uniform Guidance 2 CFR Part 200. Efforts, including affirmative steps prescribed by federal regulation (if applicable), will be made by UCA to utilize small and minority-owned businesses, women's business enterprises, and labor surplus area firms when possible. A firm qualifies as a small business firm if it meets the definition of "small business" as established by the Small Business Administration (13 CFR 121.201, Subsector 541512) by having average annual receipts for the last three fiscal years not exceeding \$27.5 million.

#### PROPOSAL SUBMISSIONS REQUIREMENTS

By submitting a proposal, Interested Parties acknowledge and agree that the scope of work and evaluation process outlined herein are fair, equitable, and understood. Interested Parties further acknowledge that they have read this RFP, along with any attached or referenced documents.

All costs incurred by Interested Parties in the preparation and submission of a proposal, including any costs incurred during interviews, presentations, or demonstrations are the responsibility of the Interested Parties and will not be reimbursed. ### C. Scope of Work

All facilities must have lawns mowed and edged, flower beds weeded, and all trash picked up **weekly**. All sites that have artificial turf, as noted in Attachment A, require all leaves and other debris blown off of the turf area and all debris picked up and hauled away **weekly**.

Sites with artificial turf will need to have the turf fluffed once a month.

Fertilizer with weed control, three times a year in the Spring, Summer, and Fall. Sprinkler startup and blowouts in the Spring and the Fall. Each location will also need a fall cleanup that

includes trimming trees, trimming bushes, and raking leaves. **Attachment A** includes a satellite view of all sites with artificial turf highlighted in Red, and lawn/flowerbeds marked in Blue. The bid must also include a contracted hourly rate for additional services (sprinkler repair, tree/shrub trimming, and additional landscaping needs) to be used as needed at the sites.

All locations serve children ages 0-5 Monday through Friday 7 am to 3 PM. No chemicals or fertilizers may be used during these hours. A schedule will be provided indicating the days and times children will not be on-site-site and chemicals or fertilizer may be applied. Any chemicals or fertilizers used must be approved in advance. The contractor can submit a request that includes the chemical name and updated SDS sheet the Facilities Manager for approval.
